Introduction Statement

BM Elite Construction LLC (BMEC) is a Minority-Owned full service general construction company specializing in project management, facilities management and maintenance, and subcontract management. We are a Class A Residential and Commercial general contracting company in the District of Columbia, Maryland, and Virginia. It is our commitment to provide reputable general construction and hazardous remediation services throughout the District of Columbia, Maryland/Baltimore and Virginia metro area. With over 20-years of business, BMEC has in-depth project management and subcontracting management experience - from project inception through project closeout. BMEC is proud to have developed an excellent record of consistently completing projects on-time and with-in budget on injury free worksites throughout the D.C., MD, and VA area.

Differentiators

BM Elite Construction greatest assets are our employees, leadership team, and our value proposition. We employ over 20+ construction workers with specialized trades ranging from site superintendents, foremen, carpenters, plumbers, electricians, masons, drywall, painters, and excavators who are experienced, knowledgeable professionals offering a competitive company advantage stemming from our in-house labor force that profoundly impact a high "on-schedule" completion rate.

We are laser focus on problem-solving for our clients, preventative measurements, and detailed executed project management. With our in-depth scientific approach to construction, we problem-solve on a higher level than our competition. Our attention to details, integrity, and timeliness from start to finish, ensures every one of our construction projects are completed in a safe, competent, timely, precisely executed, professional manner.
